# A Spiritual Encounter Awaits in

## NEIL CHAPEL

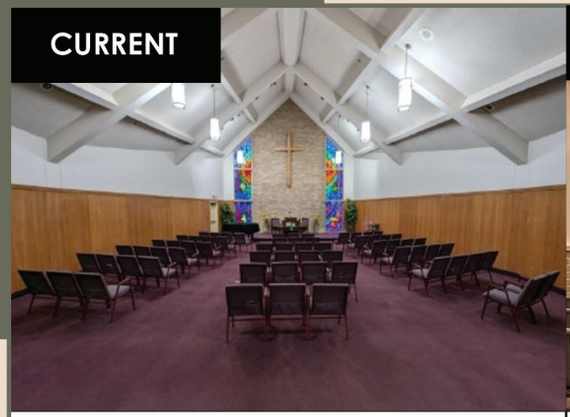

CARILLON FOUNDATION

# NEIL CHAPEL

## Your partnership is needed

as The Carillon Foundation's project focus is on an update and refresh of our 31-year-old campus Chapel. Your tax-deductible gift will be utilized to transform this space into a warmer, lighter, brighter, and more welcoming one.

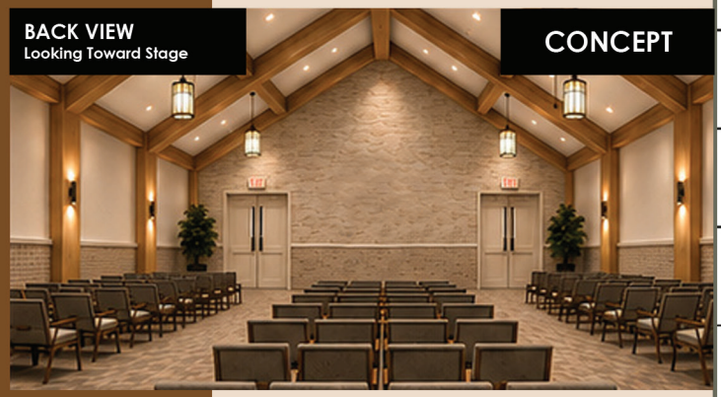

## Current project cost is $350,000 and consists of:

| ROOM FEATURE | DESCRIPTION |
|---|---|
| Brick Veneer Wainscot | Light-toned brick veneer along side and rear chapel walls. |
| White Oak Beam Wraps | Custom fabricated white oak beam wraps at exposed ceiling framing. |
| Lighting Renovation | LED pendant fixtures, wall wash lighting, cross accent lighting, ceiling accent lighting, dimming controls, programmable lighting scenes, and independent lighting zones. |
| Audio & Visual Upgrades | Frame televisions, speaker systems, amplification equipment, microphones and Public Address (PA) announcement systems. |
| Flooring & Seating | Commercial-grade carpet tile flooring and upholstered seating chairs. |
| Electrical & Painting | Electrical modifications and painting upper wall surfaces, doors, and trim. |

*Please note that these ideas may be subject to change,*

Dedicated on September 8, 1995, in honor of **Charles & Virginia Neil** our Chapel is a spiritual space for experiences of solitude, hope, and community.

*Join us* in this Featured Project as we add soft neutrals, warm woods, sage green and brass accents to create a peaceful, inviting, and timeless gathering space for all to comfortably enjoy.
